Summit & Expo 2026 **Invest • Innovate • Inspire**

&

**9th Session of the International
Solar Alliance (ISA) Assembly**

&

**4th International Conference
on Green Hydrogen (ICGH)**

2nd – 5th November 2026
Bharat Mandapam, New Delhi

@BharatRESummit

3 *flagship events.* *One shared vision.*

The Ministry of New & Renewable Energy presents one of the world's largest renewable energy expos.

Bharat Renewable Energy Summit & Expo 2026, the 9th Session of the International Solar Alliance (ISA) Assembly, and the 4th International Conference on Green Hydrogen (ICGH) will bring together governments, ministers, policymakers, industry leaders, investors, innovators, development partners and international organisations to accelerate the global clean energy transition through dialogue, collaboration and action.

@BharatRESummit

KEY HIGHLIGHTS

Participation from 125+ countries
20+ state governments
250+ high-level delegates

80+ sessions, 500+ speakers – plenary discussions, technical sessions, policy and regulatory industry roundtables

Green hydrogen networking at ICGH 2026

Building a solar-powered future through international cooperation at the ISA Assembly

75,000+ participants expected

25+ knowledge partners

One mega expo with 400+ exhibitors

@BharatRESummit

FOCUS AREAS

**Investment &
Green Financing**

**Skill & Capacity
Building and Role
of Women in RE**

**Solar Energy &
Global Solar Markets**

**Digitalisation &
AI in Energy**

Green Hydrogen

**Bio Energy & Small
Hydropower (SHP)**

**Wind & Hybrid
Energy Systems**

**Energy Storage &
Grid Integration**

**Distributed Renewable
Energy (DRE)**

**Clean Energy
Manufacturing**

@BharatRESummit

UNLOCK GLOBAL OPPORTUNITIES

Explore

Investment opportunities across renewable energy & green hydrogen

Build

Partnerships with governments, industry & financial institutions

Connect

With buyers and suppliers from across the world

Discover

Cutting-edge technologies & innovations

Gain

Insights into future renewable energy trends, policies, and markets

Be a part of the global clean energy movement and witness India's green energy leadership

Partners**

**500+
Speakers**

**80+ Sessions
Technical Sessions, Policy Sessions
& Industry Roundtables**

ISA Assembly

Showcase of initiatives
& launch of flagship
knowledge products

ICGH 2026

Global hydrogen
ecosystem dialogues

Mega Expo

400+ exhibitors,
Country & Industry
Pavilions, Networking
& Matchmaking

Focus Areas

- Investment & Green Financing
- Skill and Capacity Building
- Role of Women in RE
- Digitalisation & AI in Energy
- Bio Energy & Small Hydropower (SHP)
- Wind & Hybrid Energy Systems
- Energy Storage & Grid Integration
- Clean Energy Manufacturing
- Solar Energy & Global Solar Markets
- Green Hydrogen
- Distributed Renewable Energy (DRE)

Unlock Global Opportunities

- Explore investment opportunities across renewable energy & green hydrogen
- Build partnerships with governments, industry, and financial institutions
- Gain insights into future renewable energy trends, policies, and markets

The Legacy Behind The Summit

- ₹32.45 lakh crore (\$387.83 billion) in renewable energy investment commitments generated through RE-INVEST 2024

- 550 high-level delegates representing 137 countries and 36 organisations participated in the 8th ISA Assembly (2025)

- 1,200+ experts from around the world participated in ICGH 2025

- 25,000+ delegates, 360+ global companies and 250+ speakers participated at RE-INVEST 2024

- Adoption of the Global SIDS Initiative Declaration, alongside the launch of the ISA Global Capability Centre, ISA Academy and SUNRISE Community of Practice at the Assembly

- 30+ thematic sessions advanced dialogue on the global green hydrogen ecosystem

Join us to shape the future of clean energy-driven by collaboration, innovation, and India's green energy leadership.
