### **Web-based Application “e-FRRO”**

The Government of India launched a web-based application ‘e-FRRO’ (e-Foreigners Regional Registration Office) on 13<sup>th</sup> April, 2018. The e-FRRO application (<https://indianfro.gov.in/eservices/>) will enable foreigners to apply online and obtain as many as 27 visa and immigration related services in India through email/post without appearing in person at the FRO/FRRO office. The services that can be availed by this application include registration with FRO/FRRO, extension of visa, conversion of visa, change of address, change of educational institutions and exit permits. The e-FRRO scheme is a quantum jump in improving the ease of service delivery with respect to foreigners visiting and staying in India.
